

STATE OF ARIZONA LIVING WILL (End of Life Care)

GENERAL INSTRUCTIONS: Use this Living Will form to make decisions now about your medical care if you are ever in a terminal condition, a persistent vegetative state or an irreversible coma. You should talk to your doctor about what these terms mean. The Living Will states what choices you would have made for yourself if you were able to communicate. It is your written directions to your health care representative if you have one, your family, your physician, and any other person who might be in a position to make medical care decisions for you. Talk to your family members, friends, and others you trust about your choices. Also, it is a good idea to talk with professionals such as your doctor, clergyperson and a lawyer before you complete and sign this Living Will. If you decide this is the form you want to use, complete the form. Do not sign the Living Will until your witness or a Notary Public is present to watch you sign it. There are further instructions for you about signing on page 2. IMPORTANT: If you have a Living Will and a Durable Health Care Power of Attorney, you must attach the Living Will to the Durable Health Care Power of Attorney.

By signing this form I understand that I allow my representative to make decisions about my mental health care except that generally speaking he or she cannot have me admitted to a structured treatment setting with 24-hour-a-day supervision and an intensive treatment program called a "level one" behavioral health facility using just this form;
